Principal's Message

As the Principal of the school, feel honoured and privileged to be part of an educational Institution where every stakeholder is a learner and every day is an opportunity to learn and discover. We look at ourselves as a community of learners, where everyone learns including our teachers, parents & staff. I believe in upholding high standards with an absolute commitment to strive to understand and improve the educational process, using team strategies, while wholly centering on student achievement. Our staff fruitfully employ two diverse strategies that are of Love and Logic to foster a positive learning environment for all our students. Your child's learning involves and revolves around an effective partnership between home & school. Your child's learning involves and revolves around an effective partnership between home & school. We know the stronger the partnership is the more your child will benefit. We know the stronger the partnership is the more your child will benefit. I look forward to working with you as we help create a school where parents are welcome at any time, students are engaged in meaningful learning and the staff members are valued and appreciated for their efforts.

Sharmila Singh
Principal
